

ENQUIRY: What geographical questions can you ask?

How did this happen? Who did this? Why did they do it? What can we do to stop people doing this?

ASSESS: What help is needed?

DESCRIBE: What can you see?
What damage has occurred?

I can see a heifer and lots of rabbits.
The birds think it is food!!!

A litter picking team
RSPA to rescue the animals
and a team to fine whoever did it.
